

Dr Marcello Mariucci
Managing Director, Elettronica GmbH

Panel A5

**European Naval Cooperation – prerequisite for
(collective) maritime security in the Mediterranean
and Black Sea**

Tuesday, 26th November 2019, 14:30 – 16:00 h

Dr. Marcello Mariucci is the Managing Director of Elettronica GmbH located in Meckenheim (Bonn) and member of the General Management of Elettronica Group. Elettronica GmbH provides sensor integration and test solutions for Public Security and Military Electronic Warfare (EW) Applications. He previously held the position of Managing Director of a medium-sized company in the metal industry and, prior to that, he spent six years of his career working as a management consultant at Capgemini. Dr. Mariucci studied Computer Science and Economics at the Technical University of Munich and gained his PhD at the University of Stuttgart at the Chair of Parallel and Distributed Systems. He was a Young Graduate at the European Space Agency (ESA) and is author of scientific publications. He is a Board Member of the Employers' Association Bonn and Rhein-Sieg-Kreis and Advisory Board of the German-Italian Business Association Mercurio.
