---

Marcel Taubert is head of Division Defence at secunet Security networks AG in Essen. He studied "Business Informatics" before earning an MBA and he looks back on more than 13 years of active service in the navy, most recently as a Navy Lieutenant.

Over the years, his areas of responsibility included software development for the tactics and procedures trainer of the Navy, central trade fair and event marketing for the Bundeswehr, press and public relations as well as security policy (cybersecurity, piracy and other topics). At Rohde and Schwarz Cybersecurity he was an executive assistant to the CEO and most recently Director IoT and Strategy Executive Officer.

Taubert is involved in national associations on the subject of IT security and in the Ruhr area with eurobits (European competence centre for IT security) as a member of the executive board and regularly holds specialist lectures in the field of cybersecurity.
