Capability Development – how to harmonize the efforts in the EU, in NATO and in the Nations?

Wednesday, 27th November 2019, 11:45 – 13:15 h

Dr. Germar Schröder has been working for 20 years as a strategy consultant. He is a partner of PwC Strategy& and leads Strategy&'s public sector team in Europe. The focus of his consulting work is the security and defense area. In his projects, he has supported capability development in large scale security/defense programs, digitization, cyber and innovation as well as improvements of planning and procurement in national and NATO contexts. Dr. Schröder studied and completed his doctorate in theoretical physics at the University of Hamburg and the Albert Einstein Institute in Potsdam.
